<https://www.linkedin.com/in/jonnyrivera> | 661.778.5494 | jonnydb86@gmail.com

KEY HIGHLIGHTS

- Built and scaled platforms generating \$200M+ annual revenue
- Improved customer retention from ~65% to ~87%
- Led global Product, UX, Product Operations, and Strategy teams
- Drove successful 0 to 1 product launches and portfolio transformations
- Roadmap strategy, organizational alignment, GTM execution, and customer experience

EXPERIENCE

ActiveState | Senior Director, Product | 2025–Present

- Led Product Management and UX organizations, driving strategy, roadmap execution, and business alignment.
- Introduced, socialized, and trained AI-enabled workflows across teams.
- Led company-wide product transformation away from legacy offerings to a product fit for the current AI-driven market.
- Enabled Sales, Marketing, and Customer Success through GTM programs.

Wellsync | Head of Product & Platform | 2024–2025

- Led the creation of a 0 to 1 pharmacy platform generating \$200M+ annual revenue in its first year.
- Directed Product Management, UX, and Product Operations.
- Unified products onto a single platform and expanded new B2B2C and affiliate offerings.

Malwarebytes | Director, Product Strategy | 2021–2024

- Responsible for overseeing SMB, Enterprise, and MSP portfolios.
- Improved Gross Revenue Retention from ~65% to 87%.
- Responsible for strategic planning, portfolio growth, and GTM execution.

MediaLab 3D Solutions | Senior Product Manager | 2015–2021

- Led product strategy, roadmap planning, and cross-functional delivery for enterprise software solutions.
- Built an award-winning 0 to 1 whitelabel platform which allowed home-builders to showcase content across various kinds of complex media.
- Helped Fortune 500 companies like Lennar and Toll Brothers strategize leveraging new technologies in the space to maximize GTM impact.
